

USER CONSENT CLAUSE (For Pre-Registration Screen / Pop-Up)
Consent to Terms of Use and Privacy Policy

By clicking “I Agree”, I confirm that:

1. I have read, understood, and agree to be bound by the [Terms of Use] and [Privacy Policy] of Newgentech Solutions, available at www.newgentechsolutions.in
2. I voluntarily provide my personal information (such as name, contact details, GST number, location data, and any documents or images uploaded) to Newgentech Solutions for the purposes of registration, verification, service management, order processing, and communication.
3. I understand that the Application may request access to my device location, and I consent to such access for enabling task allocation, proximity tracking, and route navigation, as applicable. I may withdraw such consent at any time through my device settings.
4. I consent to the collection, storage, processing, and use of my personal and sensitive personal data by Newgentech Solutions, its affiliates, and authorized service providers, strictly in accordance with the applicable data protection laws of India, including the Information Technology Act, 2000, the SPDI Rules, 2011, and other relevant regulations.
5. I understand that Newgentech Solutions shall maintain reasonable security practices and safeguards to protect my information against unauthorized access, alteration, or disclosure.
6. I acknowledge that I can contact the Company’s Data Protection Officer at rehman.m@newgentechsolutions.in
7. or +91 9619771158 for any queries, grievances, or requests relating to my data privacy or withdrawal of consent.
8. I agree that by proceeding with registration and use of the NGT CARE Application, I am providing my explicit and informed consent to these terms and to the lawful processing of my personal information by Newgentech Solutions.

☐ I have read and understood the Terms of Use and Privacy Policy and hereby give my explicit consent to proceed.

Implementation Note for UI / Developers

- The checkbox must not be pre-selected (unchecked by default).
- The user must manually tick the checkbox before the “Register” or “Continue” button becomes active.
- The clause should include clickable hyperlinks to “Terms of Use” and “Privacy Policy.”
- The user’s acceptance timestamp, device ID, and IP address should be securely logged as proof of consent.
- Optionally, an additional button like “View Terms” or “Learn More” can open the full policy in-app for better compliance visibility.
